Products With Special ASAP Prices

Enjoying the Benefits of ASAP

Our unique Automatic Shipment Advantage Program provides you with a system to purchase your Lifeplus products each month conveniently and economically. Every month, depending on your preferred payment method, you will be charged automatically for the products that you consume each month and you will receive FREE or discounted shipping on your order. You can also customise your order each month, which will allow you to tailor your order to match your specific nutritional needs.

Your ASAP order will be assigned a specific Business Day during the month. This is to prevent your ASAP order from falling on a weekend or a holiday and will allow the Lifeplus shipping department to fulfill your ASAP order more efficiently. Your ASAP order Business Day will be printed on your invoice. If your specific Business Day does not work for you, please contact customer service and we will be happy to work with you to find a day that would work with your ASAP schedule.

What advantages do independent/self-employed Lifeplus Partners have with the ASAP programme? The ASAP programme is our special shipping service, which automatically sends your Lifeplus products to you every month, without you having to order again. Furthermore, you save on the shipping costs. The ASAP programme is a standing order, which you can change or cancel without penalty.

How do I participate in the ASAP programme? Complete the order form and fax it back to us on 01480 224611. Your order will be processed as quickly as possible. Credit card orders can be taken by telephone.

How can I change or cancel my ASAP? Simply call the Customer Service team who will take care of this for you on 0800 854374. You may also contact us in writing by entering the date that you want the change to take effect from and simply list the products you want on your ASAP order in the space provided.

To cancel your ASAP - please cross the box "cancellation" and state the month in which your cancellation should come into force. This is only for a complete cancellation. Do not cross the cancellation box if you only want to cancel one product of your ASAP order. Even when you cancel your ASAP completely you keep your PIN number for twelve months from the last order date and should state it on future orders.

Any changes and cancellations should reach us at least three working days before the processing date of your ASAP order.
